THEY RETURN THANKS.

EDITOR HERALD—The committee appointed by the people's party convention Saturday evening, June 25, having accomplished the work entrusted to them, viz., the raising of funds to defray the expenses of their delegates to the Omaha national convention, desire to return their sincere thanks to all who have so liberally responded to their solicitations in the behalf of their cause.

The committee furthermore consider it their duty to especially thank those gentlemen who are identified with our party, and who irrespective of party considerations, have so liberally aided us in our undertaking.
